

## Conference 2011 Prophetic Words & Songs

9.22 - pm. - Marion Weston

I've lived in this city my whole life and I've never felt what I've felt in the last couple days. I'm telling you there's something – there's something new – and there's something beautiful. It's about His love and it's never felt quite as haunting with His presence – that it's right there. He put on my heart last night that the veil has been torn. The veil has been torn. The veil has been torn.

I hear the Lord saying, "There's a shift in the spirit. Where you've looked to be free from your storms, there's a storm of grace that's coming to take its place. No longer will your eyes look to be from what was, but they will look to that which is – in Me," says the Lord. "The storms of grace will be more powerful than the storms of death. For the storm of grace is not a storm that is shaking – it's not a storm that is iffy – it's not a storm that is hesitant. It's a storm of the Father's love."

Even now our desires are changing – our perspectives are turning around. "Turn around. Turn around. Turn around. Look behind you! I am the Voice that you see! And seeing Me, everything changes. Seeing Me, everything changes. Seeing Me. everything changes. Everything changes because you're not looking to change your circumstance – you're looking to see the sound of My voice. You're looking to see the sound of Me. I'm behind you. I'm behind you all the way. I'm behind you! Move forward! I'm behind you! Move forward – I'm behind you! Move forward – I'm behind you! In times past I showed the backside of Me, but I am behind you," says the Lord!

By the Spirit of Grace I'm behind you," says the Lord! "Move forward! Move forward. Move forward. I'm behind you all the way! Move forward. Move forward. Don't run away – just move forward because I am the Voice behind you. I'm the Voice of Grace – I'm not the voice of Law – I'm the Voice of Grace – a Revelation – I am the Voice of Grace – I will empower you from within. Move forward. Move forward. Move forward as one. Move forward as one. I am the Voice behind you. I am with you. I'm with you all the way.

"Turn and see. I'm the Voice. I'm the Voice of Grace. I trust your face. I'm behind you. Turn and look and see. I am the Voice behind you. Move forward – Move forward – Move forward – Move forward as one! There's a different kind of storm. It's a storm of love. It's not a storm of the past. It's a storm of love and it lasts! So move forward – move forward – move forward – move forward as one."

The Lord says, "I'm not just changing your inside, I'm going to change the way you look, because the way you look is the way they look at you and the way they see Me. I'm going to make you look like Me, not for you, but for them. What you're going to walk into, and who you're going to meet, are the ones that are going to meet Me. They're going to meet you because they know you – but you know Me.

So the storms of grace that I've been talking about and the rain that washes away – there is a storm but there's also a washing away – a washing away of the past. And I go on just washing away. I bring new – and the new that I'm bringing is a new you. But the new you is not for you, it's for them. Because "they" are the ones I need you to reach. Those are the ones I'm looking for. I'm with you and I'm also with them.

"So don't look at what you think you see one way, because it's probably another way. I'm going to show you My sight in these days. I'm going to show you what I see in these days because what I see is what you are going to see, and those are the ones that need to be with Me. Embrace them and bring them in for I am already in you and I'm already with them – so let's meet. Let's meet.

I hear God saying, "Let it. Let it. Just let it. Don't try to do it – just let it."

...You are good. You are good. You are good. You are good and You bring good news. You make the captives free. You bring Your liberty. You bring good news. You bring good news. No more condemnation for we're a holy nation, for He is good. You are good. Our God is good. Our God is good. Our God is good. Our God is good. Our God is good. Our God is good. Our God is good. He brought us from our prison cell. He's the one that makes us well. Our God is good. Oh He is good. And He brings to us His good news, He brings His good news because He is good. He is good.

The Spirit that's on Him is the Spirit that's on you. He is good, oh He is good. The Spirit that's on Him is the Spirit that's on you. He is good. He is good. The very same Authority that raised Him from the dead it's resting in this place. The very same Anointing that opened the grave is resting in this place. I said the Spirit of the Lord is resting here. The Spirit of the Lord is resting here. The Spirit of the Lord is resting here.

From the one who's good. From the one who's good. We lift up holy hands. We lift up holy hands. To the One who's good. To the One who's good. We lift up holy hands, we lift up holy hands to the one who's good. To the One who is good. He heals all our diseases. He gives us clear thought of mind. He's good. He's good. He doesn't just make us free. He causes our hearts to see Him clearly. Oh Him clearly. He is good. He is good. Yes He is good.

Even now we speak to every darkness and we say our God, He is Light. Yeah. We speak to every darkness, we say our God is Light. Let the light of Your Face shine upon Your people. Let the light of Your Face shine upon Your people. Let the light of Your Face shine upon Your people. And show off that You are good. (Lift your hands up, raise them like this. We're making a declaration.)

We are the people of the favor of our God. We are the people of the favor of our God. We are the people of the favor of our God. We are the people of the favor of our God. He is good. He is good. We are the people of the favor of our God. We are the people of the favor of our God. We are the people of the favor of our God. He is good. He is good. No more religion, it's time to get real. No more exhortation, here is the deal. The Spirit of Adoption is resting on your heads. Do you believe every promise that He says?

We are the people of the favor of our God. We are the people of the favor of our God. We are the people of the favor of our God. For He is good. For He is good. For He is good. Yes He is good. Oh He is good. (Let's let this rain come upon you.)

Oh the God of Heaven, He's the God of Earth. But the God of Heaven and the God of Earth is shining His light on me, because He's good. My God likes me. My God likes me. My God likes me. My God likes me. My God likes me. My God likes me. My God likes me. My God likes me. He's my friend. He's my friend. He's my friend. He's my friend. He's my friend. Oh, He's my friend. Yes, He's my friend.

Yes, so we are the people of the favor of our God. We are the people of the favor of our God. We are the people of the favor of our God. Our God is good (echo) Our God is good (echo) Our God is good (echo) Our God is good (echo) Our God is good (echo) Halleluiah, halleluiah, God You're good. God You're good. God You're good. God You're good. God You're good.

How many of you like to dream? Do you like to dream? For those of you who don't like to dream, for those of you who do like to dream; dream, dream. You can't tell it, can you? Let this be in your spirit: We are the people of the favor of our God. We are the people of the favor of our God. We are the people of the favor of our God. He's my friend. He's my friend. Oh, He's my friend. Yes, He's my friend. He speaks to me at night and He speaks to me in day. He speaks every moment, every step of my way. He doesn't just put with me, He has adopted me. He is good. He is good. There is no space between Him and you. It doesn't even matter what you do, because He is the one who put His favor on your life. He is good. He is good.

I've been kind of stupid. I've been really dumb. It wasn't what I did. That's not why He came. He came to free me simply because He liked my day. He said I was born for such a time, and then He came to say: 'My favor is upon you. My favor is yours. My favor is upon you. My favor is yours. I'm even filling up the spaces

that you thought were empty. I'm declaring there's no resistance, for all is full in Me. And in the night when your dreams were troubled, oh, I'm pouring out My Spirit double. And where your thoughts cannot think oh, simply drink. Simply drink.

Because you are the people of favor of my heart. I come by My Spirit and I want to impart freedom from religion and everything that's dark, because I Am the Light and I'm shining in My Might to say you are the people, the people of My favor. You are the people, the people of My favor. You didn't look so good, but looked in my direction, but you caught My eye, and you have My affection. My power is a power that raises from the grave. My power is a passion that's able to save. There is no empty place that can hide from My grace, because I am good. Yes, I am good.'

Sing it too Him: Oh, we are the people of the favor of our God. We are the people of the favor of our God. Oh, we are the people of the favor of our God. He is good, Oh, He is good. He is good, Oh, we are the people of the favor of our God. Oh, we are the people of the favor of our God. Oh, we are the people of the favor of our God. He is good. Oh, He is good, Oh He is good. Oh, He is good, oh He is good. Yeah, yeah, yeah Halleluiah! Halleluiah! Give Him a shout! Jesus! Jesus! Halleluiah! Halleluiah! He is going to keep kissing you until you kiss back. I said He is going to keep kissing you until you kiss back. He is going to keep kissing you until you kiss back. You know why? He is good.
